I confirm that:

To the best of my knowledge and belief the details provided in this form are correct, complete, and not misleading and that the information provided in the application for my SIPP is still valid, except for any changes specifically advised to Interactive Investor.

I am a relevant UK individual (see attached notes).

The total contributions paid by myself, and/or by my employer or another third party, to my SIPP and to other registered pension schemes, in respect of which I am entitled to tax relief under section 188 of Finance Act 2004 will not exceed, in any tax year, the higher of:

- The basic amount (£3,600 gross for the current tax year and from then on until the Government notifies otherwise); or
- My relevant UK earnings (see Note 2 below) in that year, subject to not exceeding the Annual Allowance or any such lower amount that may apply to me.

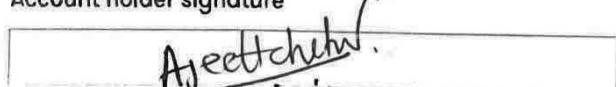

I am aware that contributions made to a pension from age 75 are NOT eligible for tax relief hence the operator will NOT claim tax relief from HMRC.

I will notify the operator in writing if an event occurs as a result of which I will no longer be entitled to tax relief by the later of:

- 5th April in the year of assessment in which the event occurs; and
- The date which is 30 days after the occurrence of that event.

I understand it is a serious offence to make false statements; the penalties are severe and could lead to prosecution.
